Survey Newborn screening - NBS

Bonn, July 2018

To whom it may concern,

With this questionnaire we would like to evaluate the demand for additional measurands within the framework of our survey for newborn screening (NBS). Therefore, we kindly ask you to fill in this short form and send it to us by post, fax, e-mail, or via Web.

With best regards

RfB Organization Team

Yes, I am interested in external quality control for

- | | | | |
|--|--|---|--|
| <input type="checkbox"/> leucine | <input type="checkbox"/> tyrosine | <input type="checkbox"/> phenylalanine | <input type="checkbox"/> free carnitine |
| <input type="checkbox"/> isovalerylcarnitine | <input type="checkbox"/> oktanoylcarnitine | <input type="checkbox"/> hexadekanoylcarnitine | <input type="checkbox"/> oktadecanoylcarnitine |
| <input type="checkbox"/> glutarylcarnitine | <input type="checkbox"/> biotinidase | <input type="checkbox"/> galactoseuridyltransferase | <input type="checkbox"/> gene variants CF |
| <input type="checkbox"/> TREC | <input type="checkbox"/> KREC | | |

Additional measurands:
